WELCOME TO THE TEAM

Nate Mezera

Join us in welcoming Nate to the EC Grow team as our newest Professional Products Sales Representative.

Nate is originally from Prairie du Chien, WI but has spent the last decade in Minnesota, Texas, and Nebraska. He attended The University of Minnesota for Horticulture/Turfgrass Management, Indiana University for an MBA, and Purdue University for a Master's in Agricultural Economics. He has worked in the turf industry for most of his career including time in lawn care, golf course management, NCAA and MLB grounds.

Most recently, Nate worked for BASF, where he spent the past five years as a sales representative developing relationships with end users and channel partners alike.

"We are excited to have Nate join our Professional Sales Team and look forward to building off his turf experience and expand our business" said Joe Ernst, Director of Professional Sales.

Nate will be based out of our Eau Claire office, temporarily, as he completes his training and transitions to his new role. You can contact him at nmezera@ecgrow.com or call him on his mobile at 608.306.0052.
